

Probus Club – Peterborough and District Newsletter for June, 2011.

What a Great Party

President's Message:

Spring has finally arrived and with it's arrival there seems to be an endless list of jobs to be done around the house - such as mowing the lawn (I have already cut the grass four times), cleaning out flower beds and of course the grand-daddy of them all – planting the vegetable garden! I hope that all of you are finding time to get outdoors to experience the many marvels of spring such as the blossoming shrubs and trees and the warmth of the sun on your back.

Just a gentle reminder that at our next meeting on June 1, I will be reading the motions regarding the proposed changes to our Constitution and Bylaws. We will be asking you to vote on both of these motions.

In closing, I would like to extend to each and every one of you best wishes for an enjoyable and safe summer and I am looking forward to seeing all of you at our Club barbeque in July and at our potluck picnic in August.

I now have to go back outside and mow the lawn yet again!

Bill Davidson.

Carolyn Davidson

“I totally take back all those times I didn't want to nap when I was younger.

I can't remember the last time I wasn't at least kind of tired.”

While the C-5 was turning over its engines, a female crewman gave the G.I.s on board the usual information regarding seat belts, emergency exits, etc.

Finally, she said, 'Now sit back and enjoy your trip while your captain, Judith Campbell, and crew take you safely to Afghanistan '

An old Master Sergeant sitting in the eighth row thought to himself,

'Did I hear her right? Is the captain a woman? '

When the attendant came by he said 'Did I understand you right? Is the captain a woman?'

'Yes,!' said the attendant, 'In fact, this entire crew is female.'

'My God,' he said, 'I wish I had two double scotch and sodas. I don't know what to think with only women up there in the cockpit.'

That's another thing, Sergeant,' said the crew member,

We No Longer Call It The Cockpit
It's The Box Office.'

Spring Fling 2011 Well Done!

Barbara and I would like to thank everyone involved with Spring Fling. The feedback we have received rewards all the volunteers, committees and co chairs for the hard work that was done in preparation for and on May 18th.

The arena was transformed into a beautiful spring setting. Our prize table drew accolades from our guests, the problem being which basket to put your ticket in! Lunch was hot and delicious and the desserts were difficult to stop at one. Thanks to both the Evinrude staff and Soundpro for the lack of any problems during the day.

We all agree that James Raffan was superb again. As one guest said "I could listen to him read a phonebook"! The Leahy children were wonderful and stole many a heart and thanks to Jubilation for reminding us of songs that we knew and loved.

We omitted to show on the program that Carolyn and Bill Davidson, as well as donating the Steak Knife Set grand prize, also donated several of the draw prizes. Thank you Carolyn and Bill for your generosity and we do sincerely apologize.
